my ass beckons

Antonette, your ass is showing!

I'm trying to make my roomies boyfriend feel comfortable while he waits for her to get back. I take his jacket and offer him a drink. When I bend over to put the drink down, he knows I'm probably up to no good. Then I get on my knees and unzip his pants and goes to town on his big rod! I'm obsessed with huge dicks, deep throating and getting fucked in the ass. As soon as he stuck his hard cock inside me, I was moaning and whimpering for more.

He called me Friday to confirm going to the movies and asked if I wanted to grab dinner before hand. I said sure, let's meet an hour before for a nice bite to eat. We had a nice dinner and I decided to use the bathroom and he followed me in asking for a quick blow job right then and there. I did it to him right there.

We decided the best thing to invest in is a night together

a meal not eaten

I recently took a job with a large brokerage firm in downtown Chicago. Our recently remodeled offices were on the 48th floor of an Art Deco skyscraper in the Loop. I was looking for some good investments and friend of mine told me that he will ask his friend, working on Wall Street, who knows of someone looking to invest, to call me. After lunchtime on the next day I received a phone from a lady with a nice voice detailing me on her interests, some were kind of personal, I thought. Since she knew my friend, we decided to meet at a restaurant to discuss things in more depth. We met at a nice restaurant on Michigan Avenue. The moment I saw her, I couldn't take my eyes off her. She commanded attention when she walked into a room.

Her name was Madison and she was a looker. Beautiful body, pouty lips, full bosom and a round ass to bottom it all out. She was wearing dark blue suit but no blouse under the jacket. Only a pretty lace bra that would peek out at me every now and then. She had dark blonde hair that was cut full just at shoulder height. Her nails were blood red and impeccable. No rings, I noticed. I was instantly attracted, but tried to keep my composure throughout our meeting. At the beginning of dinner, we spent many minutes getting to know each other, and by the time dinner came we had felt each other out and I think she was confident in me handling her money.

After ordering some creme bruleé for dessert, Madison changed the tone of our conversation and began asking about me. I said I had divorced my wife of ten years six months ago after I found out she was cheating on me. She said I spent too much time working, but I think we were probably married too young. Slowly our conversations became more personal and we started chatting over phone. One day I found myself at her house on an invitation to have lunch with her.

When I arrived, I gave her the couple bottles of wine (one white, one red since she wouldn't tell me what she was cooking). She took them and told me to follow her to the kitchen where she asked me to help her. Her attire tonight was much less rigid than our lunch. She was in a body hugging, skinny-strapped cami tucked firmly into her jeans. Her body was nicely proportioned and I wondered what she would look like naked, but again, I restrained my mind and focused on the dinner. I could see that she was watching me very closely took a few opportunities to come near me. A couple times she got behind me and grabbed my arm to show me how to stir the sauce the way she wanted. The third time she put her whole body behind me and pushed rather

Sensing that dinner was going to waste, she asked in short breaths what I wanted to do about dinner. I told her to cover the pan and leave it there.

firmly on me. She was making chicken picatta and asked me to come over and have a taste of the sauce. She thought it needed more lemon. I went over and somehow got the courage to go behind her and put my hands on her shoulder as I leaned in for a taste. She stepped back slightly pushing her butt into my crotch, but I didn't know what to do.

Fortunately, for me, she turned around, gave me an erotic smile and kissed me on the lips. Her kiss and her look was so hot, my cock became a hot rod. I turned her back around on the pretense that the meal would burn. I hugged her lightly and pushed into her. I placed light kisses on her shoulders and the back of her neck. I licked her neck, earlobes, and her upper back. She leaned her head back into me and swirled her hips into my crotch again.

Madison took the pan with the chicken and put it on a back burner and turned off the fire. She turned around and pulled me to her and started sucking my lips. We were kissing and tasting each other's tongue for five long minutes. We became very hot and the kisses became licks, bites, moans and one hand was pressing against her boobs and the other was pulling her into me by her butt. I pulled her hair back and started licking & biting her neck. She put one hand behind my head pulling my kisses deeper into her when suddenly I felt her hand right on my cock, over my pants, giving it a good firm squeeze.

Sensing that dinner was going to waste, she asked in short breaths what I wanted to do about dinner. I told her to cover the pan and leave it there. We had about two hours before it went bad, and at this point I didn't really care.

We went to her bedroom and immediately to the bed. We started kissing again and after sometime we both became wilder and undressed our bodies and started feeling them. My body could feel every inch of her body touching mine. I was licking her neck, slowly going down to her boobs, navel and then to her toes, and back up to her thighs. She was moaning and became wetter and wetter. She then started wildly kissing, licking and biting me all over. She begged me to fuck her. I licked her upper thighs and then reached her pussy. I placed a pillow under her so that I could finger fuck her pussy while licking it. I slowly slid more fingers into her until she was not able to bear it. She was dripping her love juices and I licked her from her pussy to her anus and back to slowly biting her clit.

Madison moaned and squirmed while I ate her, crying out as she came repeatedly. I took her to the limit of what I thought she could take, and then went past it, eating her hot pussy to my heart's delight. I stopped and moved up to kiss her. She remarked on how yummy she tasted on my lips. I lay on my back while Madison climbs across me, taking my hard cock into her soft hands and hot mouth. Her wet lips slid enjoyably along my stiff shaft, and I lay back and watched her as she worked enthusiastically to please me. She moved between my legs, running her tongue down my shaft and over my scrotum. She then licked her way slowly back up and took me again in her mouth. She worked her lips up and down my cock swiftly but smoothly, moving rapidly and taking more of me down her throat with each pass.

She move her fingers along my hard dick in time with her mouth, and I told her she needed to slow down or I was going to cum. She stopped to smile at me and changed her pace accordingly. She stopped before I got to a point of no return. I got up while she got onto her hands and knees. Madison moaned as I stuffed my hard dick into her, and pushed backward as I surged forward, filling her with my erection. She groaned and squealed as I held her hips and fucked her. She wiggled her hips in ways that increased enjoyment for both of us. She found a position that ran the head of my cock along her G-spot, and panted and shook as she undulated rapidly, rubbing the hard tip of my dick along her spot.

Grinding her pelvis back into me with each thrust, she heaved her body forward and back and exploded around my stiff penis. I fucked her hard, running my hands over her warm skin as I hammered my cock into her pussy. The force of my thrusts drove her forward with each powerful stroke holding her hips and pulled her back onto me. Eventually after I'd lost count of how many times she'd cum, I pushed her forward onto her stomach, closing her legs.

This position made Madison feel even tighter on my cock and allowed me to drive myself ever deeper into her. She moaned as I fucked her hard and deep, my face mere inches from hers as I covered her with my body. Holding her tightly, I whispered about how good her pussy felt around me. She whispered back that I could cum inside her if I wanted to. She was safe. I picked up the pace as she shrieked below me with each thrust, and then slammed forward as my climax exploded inside her.

She kept clutching and squeezing me as I rammed deep into her, her pussy clamping down and milking every possible drop of cum. We continued fucking as I rode out my crescendo and she came a final time with me as we moved together in orgasmic rhythm. We finally slowed to a stop, and she turned her head so I could kiss her.

I carefully withdrew, and got up to clean up. We each got a drink and dried off, and then I joined her back in bed to kiss and hug. Several minutes passed talking about investments and sex when she suddenly gets back on her hands and knees and motions me to get back there. I attack her pussy from behind. She raises her ass to which I place myself at her rear entrance and push forward, gently at first. Her moans become increasingly louder. My hands are at her hips for pace which is getting faster.

Her hands are desperately looking for something to grab on to so she can better reciprocate my thrusts. She finds the edge of the mattress and is able to push back. We now slam into each other. Her cries of lust are pushing me over the cliff and with a loud grown – I cum. Every shot into her tight ass is accompanied with a deep thrust from me. When the waves of my climax subside, I pull myself out and watch her collapse onto the bed. Her moans are like angelic music coming down from the heavens. I think that this can't be the same beautiful woman I met weeks ago. The same woman that I thought I could only dream of fucking. And I did.

I look down at the heaving woman laying naked in front of me. Her figure cutting a beautiful silhouette on the bed. Still breathing hard, she looks up at me. In between deep breaths she smiles and asks, "Do you think the chicken picatta is still edible?"

there's nothing like a fresh air fuck

Natalie

I'm not much of an indoor girl. I like swimming, climbing, riding, camping and fucking in the great outdoors. There's nothing like inhaling fresh air as I inhale a cock into my mouth. And to get fucked outdoors? Better than any bedroom, if you ask me.

There's this guy coming over in a little bit to fuck me. But I wish it was you here instead. Why, because I know you would appreciate me more. Oh, I'm sure he'll appreciate having sex with me, but there's just something about a man who really wants to fuck me rather than one that does it all the time. Maybe, when I'm done with him, you'd like to come over and we could play around a little bit?

DANCE, KISS, FUCK

There's this hot, jumping club just off of downtown that everyone's been going to. Tonight I'm going to try it and if I recover, I'll write and tell you about it. So we got to the club and I got some drinks in me so I could relax a bit. After that Cassidy, one of the people I went with, asked me to dance and after so many drinks I said why not. So we got on the dance floor and the DJ was pumping out some house music so she started gyrating her ass against my crotch. I put my hands on her hips and went along with her motions to match. She looked back at me with a look of surprise and that wicked smile of hers. We stumbled around the floor a little but settled into groove that seemed to catch people's attention.

They began to join in and dance with us and after a few songs, Cassidy passed me to another girl and then I got passed off to another girl and then I ended back up with her again. By then the song was slower so we were dancing face to face and she leaned in and asked my if I was having a good time. I mumbled I was over the loud music and she flashed that wicked grin again.

The club was shutting down towards 4 am. I was tipsy, she was tipsy, and then she asks if we can go to my house. I said sure but asked why? She didn't say but told me lead the way. So we got in my car and headed to my house. I parked in the driveway and went around to get her door. She stumbled out and said she'd fine just as long as I held her hand so she wouldn't fall.

I had no idea, nor was I thinking about anything happening between me and Cassidy so when we got in my room and sat on my bed and she kissed me I was shocked – and horny as hell. We kissed for a good five or six minutes. Feeling her tongue rolling around in my mouth felt great and my dick was hard and throbbing like it's never done never before. I had never wanted someone so much as I wanted her at that very moment that got me so hard I wanted to fuck her through my clothes. Then the thought of taking off her clothes made me even more excited.

I began disrobing her and as I pulled her top off, I could see she was braless. I checked out her boobs, yes, great, and her nipples, yes hard. I brought my mouth to them and licked around her nipples, watching and feeling them get harder. She began to moan a little and it turned me on. I sucked a little harder as she put her hand around my head gave me a squeeze. I stopped sucking and went back to kissing a little more. Then we both got ourselves totally naked except for my socks and her jewelry. She was a sight to behold.

Cassidy and I worked together. She was in her late twenties, married, no kids, and apparently a wild streak in her. I didn't ask about the husband because tonight I really didn't care.

I'm a breast man and I pulled her into my arms and began kissing her. I love kissing it, turns me on. We stood there kissing and then she pulled away, looked down and grabbed my hard shaft, laid down on the bed and pulled me in between her legs. I laid on top and kissed her some more and then she grabs my cock, squeezes it and puts me inside of her. I started to pump in and out real slow as not to cum too fast because I wanted to enjoy every minute of this. She wrapped her long legs around me and pulled me closer to her putting her arms around me.

I now began to fuck her harder and deeper. My whole cock was in her now as she screamed and moaned in ecstasy. I felt her get real wet all of a sudden and grabs me real tight causing me to stop. She loosened her grip and I was able to continue fucking her. She began moving her hips to match my movements. We were moving together and didn't take much longer before I would release my load. She placed her hands on my chest and started pinching my nipples. Two or three pumps later I pulled out and shot my hot cum on her belly. I leaned over her leg and she put her hand on my back, kissed my arm and said that felt good.

That's when the booze really took over and within three or five or ten minutes we were asleep.

...Bradley, Pittsburgh

ARE YOU SURE?

Jared finally is taking me to the restaurant where we first went on a date. It's a famous place in Seattle with not-too-tacky red flocked walls and deep red tablecloths. The garlic knots are to die for so we ordered them as an appetizer when the waiter took our order. We were in a large booth, probably for four to six but it was available and we asked for it. We adjusted the tablecloth so it just touched the floor on the side that faced the dimly lit room. Seated side by side, I slowly pulled up my long, spaghetti-strapped, low cut black dress up my legs, exposing my thighs. I grabbed Jared's hand and placed it over my clean shaven mound. His fingers swirled around, teasing me before touching my naked pussy.

Then he wiggled his two middle fingers between my labia and fondled my clit. I contented myself with a blissful sigh. Under the table, I opened my thighs wider apart and hooked one leg over his

BLAIR-NTS-12

thigh, my pussy spread wide. His forefinger moved toward a new objective and slowly plunged inside my warm, wet hole.

He pushed one more finger inside me, and in another moment his middle finger furrowed to join his forefinger inside me. I let out a soft sigh, and almost slid off my chair into a heap on the floor. His hand moved at my pussy underneath the table cloth, pumped in and out, his thumb pressing on my throbbing clit. I pushed my hips harder against his assaulting fingers, slightly moved back and forth on my chair and tried not to be too obvious.

After a few more minutes of his fingers thrusting inside my pussy, I was about to cum, and was excited by the fact that I had to keep perfectly still. The fact that we could be caught by the waiter or other patrons was such a turn on. My legs tensed and stretched out as I climaxed, my orgasm exploded from my pussy and radiated to my head and finger tips. I panted softly as I came; my hands grabbed the napkins tightly to keep from screaming. His fingers nursed my orgasm until it subsided to gently pulsate and shuddered in my privates.

He brought his fingers up and teasingly sucked his fingers as if he tasted a delicacy before the meal arrived. As I looked at his fingers inside his mouth, I imagined his tongue at my pussy, flicking and rolling my tight bud. Fortunately for me, I came just in time, our entrees now being served. I was flushed, and so I asked for a glass of ice water from the waiter. He asked if I was feeling okay and I replied I was fine, just a little hot. He said he'll be right back with a glass of ice water for me. Before we began to eat our entrees, Jared leaned over and whispered in my ear that he was as hard as a rock. I was drinking wine at the time, and spew the wine out as I tried not to giggle. I coughed into my napkin and smiled.

As dinner started, I reached under the tablecloth and unzipped his pants. My hand found his cock and just as he said, it was indeed quite hard. I rubbed and stroked him throughout the entrée. I was playing with his balls as he gave the waiter our desert order. After the waiter departed, I dropped an earring to the floor and knelt down on the floor to search for it. Our position against a corner wall was a blessing as it meant other restaurant patrons would have to look in our direction to see what was going on. As I was on the floor, I quickly crawled under the table cloth and my hands grabbed his cock again.

I quickly latched onto it with my cock-starved mouth. He jerked in his seat; his legs stretched either side of me as I sucked his cock rapidly. My head bopped up and down, hitting the underside of the table a couple of times. At one point as the entrée plates were being cleared, the waiter asked Jared if the entrées were good. As I heard this, I mischievously sucked his cock harder under the table. His hands then reached down blindly under the table and held my chin, and instead of stopping me, he shoved his hips harder into my mouth; I gobbled him up with pleasure.

My tongue pressed harder against his shaft, massaged his pounding cock. Rolling my tongue around the head delicately, I took his cock deeper until the head nudged at the back of my throat, my hand grasped his shaft and tugged firmly. I was determine to taste his semen before our deserts came.

...Arianna, Under the table

I got married young and soon after that started on my adult journey. At first I was really reluctant to do anything sexual in public. That's not how I was raised; but one night after a rather raucous party, I gave my husband a blow job on our host's sofa while a small group watched. After he came, I got a big round of applause and kinda grooved on it. Who wouldn't? They said I was great.

Soleil

married a month and still on her honeymoon

I bit my lip as I felt my body shake. I squeezed my nipples together as I ground further onto his ridiculously hard cock. He pumped faster and faster until my hips were bucking into the air. I collapsed onto the bed my body still trembling from the orgasm that washed over me. I had my best night's sleep that night.
